

Gemmel

Bathgate Hills

-a range of low rolling
hills in west lothian.

-There was rumoured to be
a ufo up the bathgate hills,
Mr Taylor approached the ufo,
2 small spheres that appeared to
be covered in spikes emerged from
the bottom and a large sphere
began rolling towards him, he
passed out & regained consciousness
after 20 minutes and suffered
a sore head and throat with
a bitter taste in his mouth.
