

Bathgate Hills Writing Competition

THE SPOOK

By Katie

one day, long long ago, a girl named Jojo was walking to and ~~up~~ Bathgate Hills with her friends, Joe, Jamima (Jam) Bethany (Bethy). Before they got there, they stopped for a wee McDonalds.

After that they travelled to Bathgate Hills. But right before that, they had to go through a forest. Crunch! Snap! Sticks were snapping and leaves were crunching as they were walking through the forest.

Suddenly Joes chips got hit out of his hands, "Oh not cool Bethy!" Joe announced. But Bethany was minding her own business. "Ummm? Okay...? that was... creepy." Jamima said. "Yeah!" everyone else agreed.

Legends say that that friend group never made it out of that forest.
