## The Abduction

Megan wakes up in the Bathgate Hills next to her friend. She hears a loud hovering above her head. She wakes up her friend quickly and tells her friend to look up. They look up in fear to discover that there is a rather large UFO above their heads.

Megan's

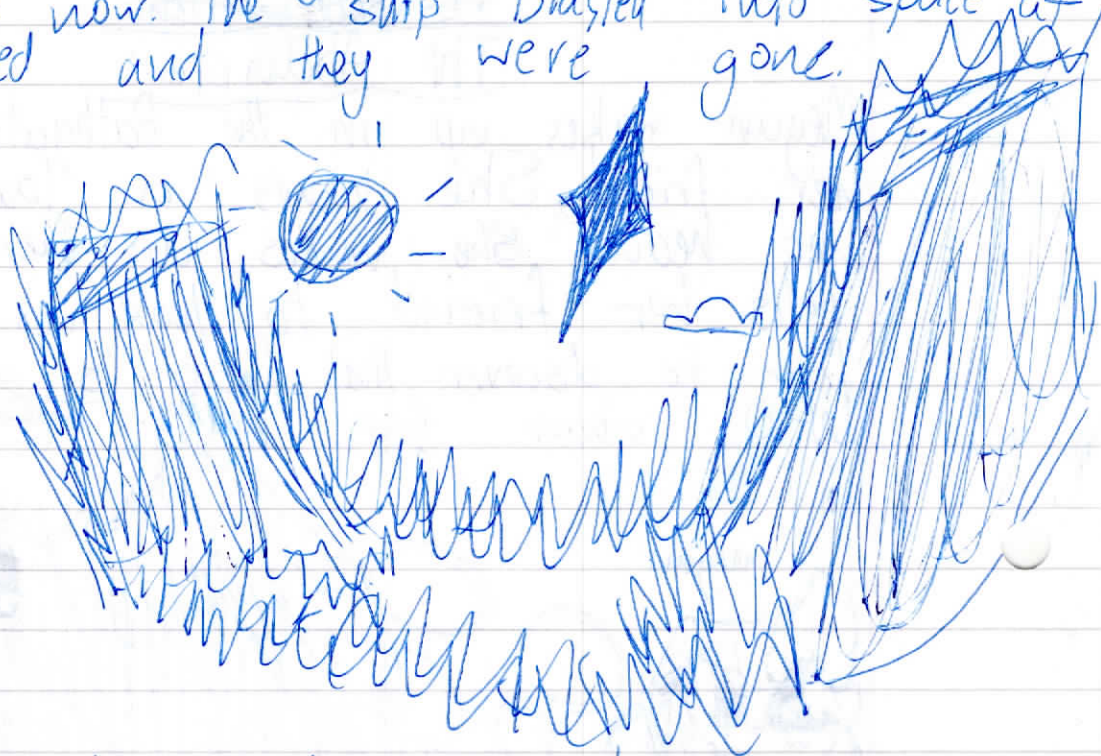

friend wakes up and Megan screams, "THERES SOMETHING ABOVE OUR HEADS!"

The two girls start to drift slowly into the air.

Pen Struggles !!

Poof. They were gone. They were with  
the aliens now. The ship blasted into space at  
hyper speed and they were gone.

Megan left behind a heart shaped note  
with her name on it.
