

THE ADVENTURES AT BEECRAIGS

THE ADVENTURES AT BEECRAIGS

Beecraigs is a walk with a park about 3 miles from Bathgate. It had lots of beautiful trees and green grass. The park was huge great for all ages.

When me and my brother Leo went to Beecraigs my mum dropped us off. We were wearing warm clothes because it was a cold icy winter's day.

I was wearing a warm hat and a big puffy jacket and some leggings. My brother was wearing the same but he was wearing joggers not leggings. My mum parked the car and we were off. We went to the park first for a quick play then we went off on our walk through Beecraigs.

AS I was admiring all the trees I realised
my brother was gone I Saw a faint shadow
of someone **WITH MY BROTHER!**

I ran as fast as I could to find some
people I had 5 people looking for my
brother. Finly we found him with a
strange looking guy holding on to
my brother as tight as he
could "HELP" Said my brother
then he let go and Started to
fight but we were probably one
because we had 5 people and
there was only 1 of him then
me and my brother walked to
the caga to get a cake
then went home
