bee Emily's

one day there was a girl and the girls name was crystal She was walking on the bike track on a wintery night and she herd a noise.

and then fell in a big hole and the hole closed behind her and and she herd a voice and someone poped out of the dark "don't worry im safe" said Emily I've been here for 5 days will come on then lets go look for an exit "ok" said crystal "lets go" said emily they run to look for an exit

they find an exit and they run out it leads to the park they look around and see that it's day-time so they run home before they get exit but there's a gate so they go back and and chill but the rain started so they gob to shelter the gate opend and they ran.
