Dad come here shouted Jessica "what is it" just come said Jessica sounding slightly worried. Steve slowly walked over "Uhg what is it..." Steves heart dropped it was like a desert full of human bones at the top of the hill.

It had been 10 minutes since Steve and Jessica had discovered the bones so like any normal person they phoned the police and over 50 police officers arrived at the scene. It was starting to get dark and the police hadn't found anything. Hours had passed then all of a sudden the hill started to shake and rumble then BOOM!!! a monster with eyes red as blood teeth sharp as broken glass and a green scaly glowy body.

The police officers pulled their guns out and fired at the monster but their bullets only bounced off it. It was too late the monster had already eaten 5 of the police officers had already been eaten they tried to run away but the monster had already been killed
