One day at School Victor, JJ, Simon and Chris were Playing football at lunch. The boys where in P7 and they were playing a game against the PG's. Simon tackled one of the PG's and he is running up the wing he sees Victor and JJ running into the box he wips it in... BANG JJ Scores the goal and Celebrates with the other boys. They had to go in cause it was the end of lunch. They realised they had maths after lunch. They all sighed and then JJ said "Hey guys since maths is so boring why dont we go out of School to the football pitch". "What you mean like sneaking out?" Said Victor. "No where going to tell the teachers were leaving". "So funny". The boys Sneak out the fire exit and they go to find the football pitch. "Jeez man how long is this walk" Said Simon. "Be Patient there is kids in this world who play football in the streets so be grateful" said JJ. Eventually the boys find a football pitch and it is surrounded by these big hills. They start taking shots but then one of Victor's shots went over the bar and it landed in the big hill. "Oh no ill go get it" said Victor. The other boys keep playing but Victor goes up to the big hill. He is walking over but he cant see the ball anywhere. He keeps searching and he sees this almost figure walk past in the corner of his eye he turns but no one is there. He thought nothings of it but then he saw it in the corner of his eye again and he turned and he saw it but then it just disappeared. He thought that he was just seeing it in his imagination but then he got a tap on his shoulder and he turned around... AAAGGGHHH Shouted Victor. "Hello Victor my name is Julian and i am the owner of these hills and if you step foot on them again you will never see your friends again". "O, oh, o okay" said Victor in a Scared Voice. Victor runs away back down to the football pitch. "Jeez mate what took so long" said Simon. "And where is the ball". "Erm i can explain so basically i went up to get it and this Creature came up to me and started telling me if i ever went up there again i w

get killed". "Hahaha" they all laughed at Victor. "Nah i swear im being serious". "yeah sure" said W. The boys have no football anymore so that meant they had to go back to school. About 20 minutes later one the boys have to sneak into the school. "we can just go through the fire exit!" The

The next day and its the weekend and the boys are going out to play. They go back down to the football pitch and the ball yet again goes up to the hills and it was victor who went up again and he was wearing a big golden ring on his finger
