

Bathgate Hills

In the bathgate hills there are some stories about a monster but it's a myth none knows because every one that goes up there never comes back with all the people disappearing is lowering the population so that is why me and my friends are going to. Explore the bathgate Hills.

So goodbye because you might never see me again we have now entered the bathgate hills we will be exploring cancaple hills one of my friends Jack screamed ahhh! A giant polar bear wolf and then he was gone like light.

Now we must kill this thing But first we had to take out it's army of wolves ahh theres so many help! Noooo shouted Jude.
