

BEE CRAIGS DAY OUT

Beecraigs day out!

One day during the summer holidays me and my dad got our bikes off the bike stand on the car. The trees were dull and as tall as a skyscraper. At Beecraigs we were going on the most tricky bike trails. we had helmets and other protective gear to keep ourselves safe.

The trees had squirrels and a Robin's nest. "wow" I exclaimed those hills are as tall as a building. While we were cycling up the hill I saw a cool trail. At the top so peddled faster it was bendy and skinny when I got to the top. I was slowly going down.

When I got to the turn I was turning.
When I got back to the skinny part I
slipped and fell my leg was sliced open
Blood was pouring out. I was in a lot of pain.
I felt sick.

My dad hurried towards me and
helped me towards the car. He wrapped
a bandage around my leg while waiting
for the ambulance. I was rushed to
the hospital and got stitches then
went home.
