## Bathgate hills Story

It was a cold and glomy night  
 in Bathgate when Luke and Ben  
 had a sleepover at Lukes house but  
 they were so bored so they had a decision  
 to go to the Bathgate hills so they  
 got all the stuff they need like food,  
 sleeping bags, warm clothes and their phones  
 and they snuck out the house and walked  
 up the hills but just as they got  
 to the top it started to rain so  
 they found a nice tree and put the sleeping  
 bag and try to get to sleep but in  
 the middle of the night a loud scream could  
 be heard from miles away so Ben and  
 Luke jumped out of bed and grabbed  
 a torch they slowly walked up to  
 where the scream was as they made  
 the way around the bush they saw something  
 that made their hearts drop as they got  
 closer Lukes grip got tighter on  
 the torch and they thought they  
 should go see what was going on  
 it was a cult and Luke went to  
 ask what they were doing but they  
 grabbed him as soon as they saw him  
 as within seconds he was thrown in  
 the fire and Ben ran for his  
 life but one of the men got him and  
 he was never seen again.
