Once Upon a time there was a weird creature called Ezzie. , Ezzie was a strange thing he was a dinosaur and a chicken .the bottom half of him was a chicken and the top half was a dinosaur. He lived on the Bathgate hills. He was not friendly but if you gave him food, He would be nice to you. He would love you if you gave him chicken. He loved to run up and down the hills and chase Burds. He would eat them if he could catch them but if he could not, He would eat the grass. Sometimes when he was sad, He would sit at the top of the hill and watch the view at the top of them
